Cottages on the Lizard. The Lizard Peninsula, of all places in "the Cornish Riviera," has many attractions to offer to the tourist in search of quiet out-of-the-world nooks. The coast-line is of charming variety, and of a rugged and rocky character. Just off the eastern shores are the Manacle Rocks, whereon in 1853 the *John* transport was wrecked, with a loss of 200 lives. Lizard Head is the most southerly point of Great Britain.
